School Profile - Class of 2010

The Community

Spotswood Borough is a small suburban residential community located in central New Jersey midway between New York City and Philadelphia. Our 8,500 residents live on 1,472 acres located in the southern half of Middlesex County. This is a solid middle class community where both parents in most families are employed. The residents understand the value of an excellent education and have high aspirations for their children.

Spotswood High School

Spotswood High School has served our residents and the districts of Helmetta and Milltown since 1976. The school is accredited by the New Jersey Department of Education. The curriculum is challenging and rigorous including Advanced Placement, Honors, and Career/Technical Art courses. Spotswood High School, in conjunction with Fairleigh Dickinson University and Middlesex County College, offers the opportunity for exceptional students to earn college credits when registered in the following courses: College Accounting, Honors Biology II, Honors Chemistry II, Honors Calculus, and College Composition. Approximately 90% of the Class of 2009 pursued higher education.

Curriculum Overview

English: Successful completion of four years of study is required. Comprehensive, College Preparatory, and Honors courses are available at each grade level as well as AP Literature and Composition for seniors. Students may also select an elective course such as Creative Writing and Journalism.

Social Studies: Three years are required. All students must complete World History and two years of United States History. Seniors may elect to study AP U.S. History or AP Government. Electives including Criminal Justice, Sociology and History of Psychology, and AP Psychology are available.

Mathematics: Three years are required. A full sequence of college preparatory courses are offered. Most college bound students study at least four years of college preparatory math. Additional mathematics courses offered are AP Statistics, AP Calculus, Honors Pre-Calculus, Pre-Calculus, Honors Calculus, and Probability/Statistics and Discrete Math for this year's graduating seniors.

Science: Three years are required; however, college bound students normally elect three or four years of lab science. Students have the opportunity of electing honors courses in Biology, Chemistry and Physics. Students may elect AP Chemistry, and/or AP Biology.

World Language: Spotswood High School offers four years of instruction in French, German, and Spanish. Beginning with the class of 2012, there will be a 10 credit minimum graduation requirement. Students are encouraged to take Level II, III, and Honors Level IV courses in order to better prepare themselves for success in today's rapidly changing world.

Physical Education and Health: Four years of PE and Health are required. Our curriculum is timely and interesting, providing valuable information so that students may make wise choices for a positive lifestyle.

Art, Business, Family & Consumer Science, Music and Technology: SHS offers a wide range of superior elective courses in these areas to suit the needs of all students. AP courses are available in Computer Science A, Computer Science AB, Art Studio, Music Theory and Art History.

Grading System

From 2006 - 2008 grades were awarded using a letter system with the following numerical equivalents:

- | | | |
|--------------|---------------|---|
| A = 90 - 100 | Outstanding | WP = Withdrew Passing |
| B = 80 - 89 | Above Average | WF = Withdrew Failing |
| C = 70 - 79 | Average | W = Withdrawn (prior to 3 rd Friday in September) |
| D = 65 - 69 | Below Average | NM = No Mark |
| F = Below 65 | Failure | NC = No Credit |

At the end of the 2007- 2008 academic year, Spotswood High School instituted a new grading system. Beginning with the 2008-2009 academic school year, grades reflect the following letter system with the coordinate numerical values:

	A+	A	A-	B+	B	B-	C+	C	C-	D+	D	F
